

## Copyright Restriction for the Modern Literal Version New Testament [TOC](#)

© Copyright 1999, 2016 by G. Allen Walker, Computer Tech. Worldwide restrictions are:  
We are not here to make money, and we will entertain requests for any items not listed below.

1. The purpose of a Copyright is to prevent others from altering the text and then claiming the result is their own work. You are not allowed to change any of the MLV when used in any other locations or projects.
2. When quoting the Modern Literal Version, the quotes are to be noted by Modern Literal Version, MLV or by the URL of the website. Footnoting larger amounts is totally acceptable.
3. This translation may be used in any Bible commentary, study module, tract, class book, or similar study materials as long as it is noted according to the guidelines above, and the MLV's part is not 80% of the total project; so 'have at it.' Essentially, you may quote 6,300 verses without permission. (Contact us, and we will be happy to assist you in the completion of your project.)
4. After 80% you are prohibited from selling the Copyrighted MLV! Are you aware of violations? Please let us know.
5. Incorporation of the MLV into a computer-generated software format(s), or any web database of Bible versions, is permissible, provided that you have initiated a request to do so in writing (email is fine) and that the MLV is free in these programs. Should you violate our restrictions, and sell your product or charge fees for the MLV, any MLV modules must be removed from the product. If you find any software or module that is not linked from our main website, they are probably dated and consider the files there as altered, pirated or may potentially contain spyware.
6. The HTML version and search engine can be reproduced on other web sites but requires permission. (There are too many old copies of the MLV around and we would like to have those updated.)
7. The authorized Kindle edition is available only from amazon.com in BOLD Letter for color blind people and Kindles or Red Letter Editions.
